

ROCKUP WINTER SPECIAL

Would you like to help students develop self esteem, confidence, trust, teamwork, safety awareness & positive behavioural learning?

ROCKUP's most exciting & popular program is the Rock-climbing Wall. The unique ROCKUP systems with the 8m high, full autobelay rockwalls all operate with 4 climbers at a time, in wet or dry conditions partially due to the use of the inflatable classrooms (AIRBARNs).

ROCKUP WINTER SPECIAL DEAL

\$10pp (Minimum of 50 Students)

ROCKUP PROGRAMS

The programs utilize, buddy networking, interactive teamwork & safety via harnessing, development of climbing & abseiling techniques with ongoing positive growth of self esteem.

ROCKUP's combination of a quality, structured, instructed process with encouraged repeated achievement, culminates in the excitement from a shared comraderie of conquering fear that crosses all boundaries.

ROCKUP specialises in the delivery & operation of Adventure Based Learning Activities and Outdoor Safety Education in the North Island.

ROCKUP's Rock climbing program is very successful at creating positive behavioural learning with all the attributes necessary to develop a high range of personal skills.

" Absolutely fantastic, great enthusiastic staff and fantastic rapport with the kids with excellent control, fantastic!" ... Hawera Primary School

" Excellent EOTC provider, instructors clear & concise & activity well demonstrated, excellent rapport with students would definitely be interested in using ROCKUP's services in the future" ... Patea Area School

" Students loved every minute. It was a great challenge and reinforced school values" ... St Josephs School Hawera

Often for the cost of a bus ROCKUP can deliver "the mountain" to your school or camp.
