*Plan & Communication*

*Confidence & Self Esteem*

What a fantastic job your team did for us. I've not ever seen my staff as charged up & excited. It was especially gratifying to see team members who were initially reticent to take part and really get into it, pushing their team onwards and then telling me afterwards how much they enjoyed it. I have absolutely no hesitation in using ROCKUP's services again & heartily recommend you to other local businesses for their team building needs. Thanks again for a wonderful FUN event.

**Alex Lawson – General Manager

*Rock Climbing Walls - 8m High Auto Belayed*

*Fun Inflatables*

I have always been impressed with the professionalism in the delivery of the ROCKUP programs, the Children were all challenged & totally captivated by their activities. The addition of ROCKUP's activity based learning program to our Youth DARE programs has proved to be invaluable towards getting the DARE message across. Teachers, principals, students and parents have all raved about ROCKUP & want to book again. **Constable Luke Wilson – NZ POLICE Youth Education Services/DARE Waitakere**

The rock climbing wall has been the hub of our NZ Outdoor Adventure Expo for the last 2 years, providing a safe yet fun activity for all ages & entertainment for visitors. The Rock Up team possess a tireless energy and genuine desire to ensure that all participants have a rewarding and memorable experience. We thoroughly enjoy working with the ROCKUP team, they are totally professional & always go the extra mile to deliver impressive results.
