

THANK YOU!

Dear supporters of Northern Publishing's
COLOUR FOR LIFE – AMAZING RACE...

The weather was fantastic and the race was a total success in all facets. On behalf of the ROCKUP crew, we would like to extend to you all our most sincere thanks.

Without the support of local businesses such as yourselves, the FUN in running around experiencing challenges that demand leadership and teamwork would be very difficult. Hopefully there will be some good PR coming your way in response to your positive support.
